

## GRANT SUPPORT

As an Open Network member, you will have access to a variety of Grant Support services, tools and resources to help you streamline your grant writing process, learn new tips and tricks, and identify and secure grant funding. Whether you are looking for new grant funding opportunities or want to strengthen an existing grant application, CCN has dedicated resources to support you.

### Grant Support Services\*

- Receive grant proofreading and constructive feedback on suggested improvements from CCN's Grants Specialist.
- Access a variety of boiler plate grant application templates to streamline your grant writing process.
- Assistance with grant application elements, such as budget development or narrative writing.
- Increase your grant knowledge through helpful grant writing tips and documents.

### Data-Supported Grants

- Utilize Care Compass Network's Community Health Dashboard, a one-stop shop for accessing a variety of external links with data friendly navigation tools. Analyze data from the following data types: Health Status, Health Care Utilization, Demographic Profiles, Economic Indicators, and Social Determinants of Health.
- Receive assistance from Care Compass Network in finding the most relevant and compelling data as it pertains to the grant your organization is pursuing. *See the Data-Driven Decision-Making and Population Health Support fact Sheet for additional information.*

### Grants Spotlight

- Receive targeted notifications of upcoming grants that support community health and wellness improvement.

\*Requests for grant services will be reviewed and discussed with the Open Network organization to determine appropriate scope of work.

**Contact Us!** To learn more about how Care Compass Network's Grant Support services can help your organization, please email [info@carecompassnetwork.org](mailto:info@carecompassnetwork.org).
