

## COMPLIANCE AND PRIVACY SUPPORT

Care Compass Network has developed an array of services to assist Open Network partners in the development of internal compliance and privacy controls.

### Connect with a Compliance and Privacy Subject Matter Expert

- Direct access to a Compliance and Privacy subject matter expert who can provide guidance on compliance and privacy needs within your organization or to establish a set of standards to ensure employees are using secure practices whether in the office or working remotely.

### Compliance and Privacy Trainings, Resources, and Toolkits

- Access a variety of Compliance and Privacy Trainings to support your organization and ensure adherence to current compliance and privacy protocols. Trainings include, but are not limited to, Fraud, Waste & Abuse, Conflicts of Interest, Antitrust, and HIPAA/ Privacy. These trainings can be accessed via self-guided online learning or instructor-led trainings.
- Utilize pre-developed compliance presentation materials to train staff in your organization.
- Access Risk and Compliance Management resources, toolkits, and instructions on how to assess your organization's risk level and how to perform risk mitigation.

### Policy and Procedure Templates Catalog

- Access a catalog of over 50 general policy and procedure templates such as a Conflict of Interest Policy or a Confidentiality Pledge. These templates can be utilized by Open Network partners to enhance or develop their organizational policies and procedures.
